In response to your letter of November 10, 2004 regarding our Amended May Monthly Report (4/1/04-4/30/04) and your letter of November 10, 2004 regarding our Amended June Monthly Report (5/1/04-5/31/04), there apparently has been a problem with the Schedule D portion of the FEC Software for sometime. I have spoken with Carlos in your Tech Support Department and have been instructed how to correct the Schedule D and will be going back and correcting several of them. These two are now correct. Thank you and I apologize for any inconvenience.
